Dear Mr. King:

SUBJECT: YOUR FREEDOM OF INFORMATION ACT REQUEST;
DON-NAVY-2014-003299

This is my final response to subject request. The processing of your request was coordinated with Naval Facilities Engineering Command Southwest (NAVFACSW) and Naval Base Coronado (NBC).

Navy Region Southwest (NRSW), NAVFACSW, and NBC program officials have completed their searches for responsive records. Enclosure (1) is an accounting of the responsive records that were discovered and have been released to you.

All responsive records have been released in their entirety, excepting the 1,822 page record of noise complaints. Review of this record indicated it contained the personal information of complainants (names, addresses, and phone numbers) the disclosure of which would constitute a clearly unwarranted invasion of personal privacy protected by FOIA exemption (b)(6).¹ Nonetheless, I have released all reasonably segregable information from within the noise complaints to you.²

I believe waiver of the fees associated with the processing of this request is the public interest because furnishing the requested information is likely to contribute significantly to public understanding of the operations and activities of the Department of the Navy and the Department of Defense and is not primarily in the commercial interests of the City of Coronado.

¹ 5 U.S.C. § 552(b)(6); 32 C.F.R. § 701.59(f); *See, also, Carter, Fullerton & Hayes LLC v. FTC*, 520 F. Supp. 2d 134, 144-45 (D.D.C. 2007) (finding privacy interests of individual consumers in names, addresses, and telephone numbers "clearly outweigh the narrowly construed public interest").

² 32 C.F.R. § 701.8(1).

Accordingly, I have waived all fees associated with the processing of this request.³

Please return any final questions with regard to the processing of your request to my FOIA coordinator at Ralph.Bowers@navy.mil or (619) 532-1418.

Sincerely,

JEROD MARKLEY
